Foreword

Believing that play and recreation are vital factors in education, our school has sought to provide ample opportunities for such activities among its students. For this reason, the Tom Tom of 1938 seeks to emphasize and depict the recreational aspects of school life and to portray in a more informal manner the events and memories of a year at Central

EDUCATIONAL.

A picture record of the following from left to right: H. W. Gowen, as Superintendent of Schools . . . Eli C. Foster, Assistant Superintendent and Principal of Tulsa Central High School. . . Wm. H. Green, Vice Principal . . . M. M. Black, Assistant Principal . . . Central High School wearing its Christmas greens. . . The Board of Education in its picture taken . . . A typical scene in the . . . Paying for their activity budget in the Bank . . . Our school as seen from the northeast. . . Look down, look down that long one-way walk. . . Turn over the North Door in a corner . . . up. . . Architectural vignettes . . . The North Doors . . . A piece to the Great Spirit.

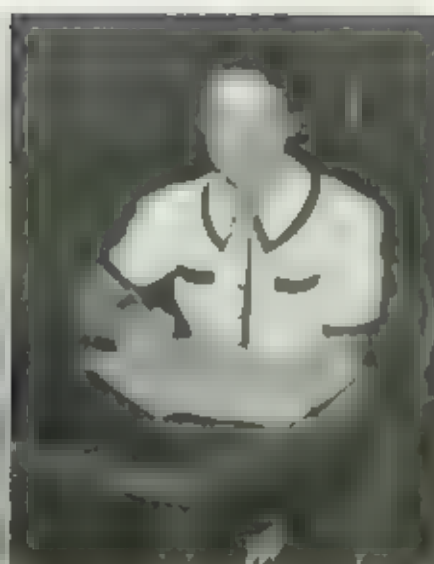

LEADERSHIP

Advisative reports. The efficiency which prevails in the Washington offices of the Bank. Mr. Foster's letter travels like a comet. I look in the morning, and find a crowd of the retiring and lately retiring visitors to the Department, the bookstalls, Mr. Cowan's excellent service at hand, and a lot of keys, and budgets for the Board of Education. But the chief attraction is the checking of some recent returns, and the cards of the North American company, giving passes, waiting for the day, for a good many questions, and a thing that goes to make Central Station, and a school.

Tulsa High School Hymn

*O Great Spirit, at Thy call
We have pledged our youth;
Ever climbing, one and all,
Seek eternal truth.
With Thy standard at our side,
Bound by purpose high
Thou Great Spirit, be our guide,
Where the way may lie.*

*With Thy vision light our eyes;
Show Thy heights above;
Grant us wisdom—Thou art wise;
Teach us Thy great love.
Consecrate our aim sincere;
Cleanse each inmost soul!
O, Great Spirit, be Thou near!
Distant shines the goal.*

*For the beauty through each day,
Joy and friendship true—
Gifts of Thine along the way—
Hear our thanks anew!
When we gain the farthest height,
By Thy wisdom taught,
We shall find Thee, Truth and Light.
Thou art all we sought.*

Class Song

*Tulsa High, by and by,
We'll say good-bye to you.
When we do, we'll still be true
To the ideals you set so high.*

*Side by side, what'er betide,
We'll make old Central High rate.
We'll boast our class,
So that none may surpass
The pace set by 'thirty-eight.*
